Log in to ZORA

To log in to ZORA, click on the “Log in” button in the top right-hand corner and then on the “Switch edu-ID” button.

The screenshot shows the ZORA (Zurich Open Repository and Archive) website. The header includes the University of Zurich logo, the text "ZORA (Zurich Open Repository and Archive)", and navigation links: "About ZORA", "Communities & Collections", "Browse", and "Statistics". In the top right corner, there are links for "AAA", "Deutsch", and a "Log In" button with a dropdown arrow. A red box highlights the "Log In" button. A login modal is open, showing a "Switch edu-ID" button (highlighted with a red box), an "Email address" input field, a "Password" input field, and a "Log in" button. Below the input fields, there are links for "New user? Click here to register." and "Have you forgotten your password?". The main content area on the left says "Welcome to ZORA" and describes the repository. On the right, there is a search bar and a statistics section showing "202175 Publications".

Profile & My ZORA

Once you have logged in, click on the person icon in the top right-hand corner to access your «Profile» and «My ZORA».

Your Profile allows to access your personal account where you can link your ORCID iD or set your favourite collection (= institute/clinic).

My ZORA allows you to access the backend where you can submit publications and view your submissions (formerly known as “manage deposits”).
